## POSSESSIVE PRONOUNS AND ADJECTIVES

1. Possessive adjectives come before nouns. They describe the nouns.
2. Possessive pronouns replace nouns. They show possession/ownership.

Read the following sentences. Circle the possessive adjective and underline the possessive pronoun in each sentence.

Example:

This is his doll. But that is mine.

1) My mother went to market.

2) This is my book. It is mine.

3) The toy aeroplane is mine.

4) Your haircut is nice.

5) That pizza is yours.

6) My brother bought a computer, It is his.
