SUBTRACTIONS

Read the following word problems and then observe the students works. Select the student work that correctly matches the story.

1) There are 15 friends in the party. 6 of the friends went home. How many friends are still there in the party?

Correct the problems which are incorrect.

1)

15 - 6 = 9

10   5   5   1

10 - 1 = 9

2)

⑥ 7   8   9   10   11   12

13   14   15

15 − 6 = 9

3)

15 − 6

10   5

10 − 6 = 4

4 + 5 = 9
