APPLICATION OF FRACTIONS TO TELL TIME

Tell time to the nearest five minutes. Relate a.m. and p.m. to time of day.
Write the time displayed on the clock. Then choose whether the activity below would happen in the a.m. or the p.m.

a) Brushing your teeth before school.

_7_ : _00_ (a.m.) / p.m.

b) Eating dessert after dinner.

__ : ___ a.m. / p.m.

c) Playing games after school.

_4_ : _30_ a.m. /(p.m.)

d) Watching television at night.

_8_ : _00_ a.m. /(p.m.)
