$\qquad$

## FOUNDATION OF MULTIPLICATION/DIVISION

Use math drawings to represent equal groups and relate to repeated addition.

1) Draw one more equal group. Then write an addition sentence to match.

## Solution:

$\qquad$ $+$ $\qquad$ $+$ $\qquad$ $+$ $\qquad$ $=$ .

4 groups of $\qquad$ $=$ $\qquad$ .
2) Draw two group of three stars. Then write an addition sentence to match.

## Solution:

$\qquad$ $+$ $\qquad$
$\qquad$ _.

2 groups of $\qquad$ = $\qquad$ .
3) Write an addition sentence to show the number of objects in each group. Then find the total.

## Solution:

$\square$
$\qquad$ $+$ $\qquad$ $=$ $\qquad$ .

3 groups of $\qquad$ $=$ $\qquad$
