CONJUNCTIONS

(USE OF FREQUENTLY OCCURRING CONJUNCTIONS)

A Conjunction joins words/sentences together.
And, for, but, or, so, because, as etc..... are conjunctions.

Underline the conjunctions in the following sentences.

Example:

(a) I like apples and strawberries.

(b) My sister tried hard to make a kite but she failed.

1. The boy is not only clever but also strong.

2. The old woman is weak so she can't walk.

3. The police man ran fast but failed to catch the thief.

4. Would you like to have tea or coffee?
