# COUNT EDGES, CORNERS AND FACES

Understanding the mathematical terminology and concepts in 3D shapes.

Example:

How many faces does this figure have?

[✓] 5   [ ] 4   [ ] 6

----

1) How many edges does this figure have?

[ ] 1   [ ] 0   [ ] 2

----

2) How many faces does this figure have?
[ ] 5   [ ] 7   [ ] 6

3) How many vertices does this figure have?

[ ] 4   [ ] 5   [ ] 6
