## ADDITION OR SUBTRACTION

Solve using either mental math or the vertical method with number disks. Check your work using addition.

1)  $567 - 290 = \underline{\quad}$

Number	H	T	O
567			
290			
$567 - 290$			

Verification by using addition.

Number	H	T	O
277			
290			
$277 + 290$			

2)  $873 - 428 = \underline{\quad}$

Number	H	T	O
873			
428			
$873 - 428$			

Verification by using addition.

Number	H	T	O
445			
428			
$445 + 428$
