# ADDITIONS MADE EASY

Add by making ten using number bonds.

1. Jorge saved 65 dollars last month. This month he saved 8 more dollars. How much money does he have now?

Jorge saved last month ___ dollars.

He saved this month ___ more dollars.

65 + 8 = ___

60   5   8

60   5   5   3

60   3

70   3

He saved now ___ dollars.
