## ARRAY DRAWS WITH OBJECTS

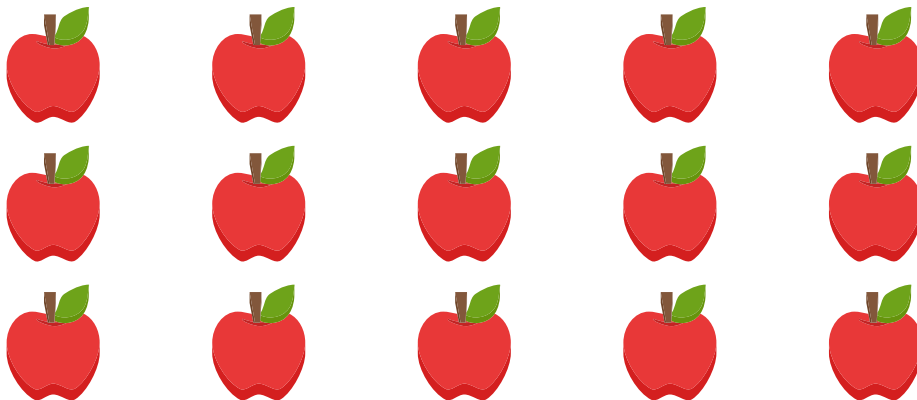

Learn skills in drawing arrays as per the guide lines.

Example:

Draw an array to match  $5 + 5 + 5 + 5$ , Where 5 is the number of objects in the columns.

1) Draw an array to match  $3 + 3 + 3 + 3 + 3$ , Where 3 is the number of objects in the columns.

2) Draw an array to match  $2 + 2 + 2 + 2 + 2$ , Where 2 is the number of objects in the row.
