## ARRAY DRAWS WITH OBJECTS

Learn skills in drawing arrays as per the guide lines.

1) a) Draw an array with 12 cylinders where a column is made of 3 cylinders.

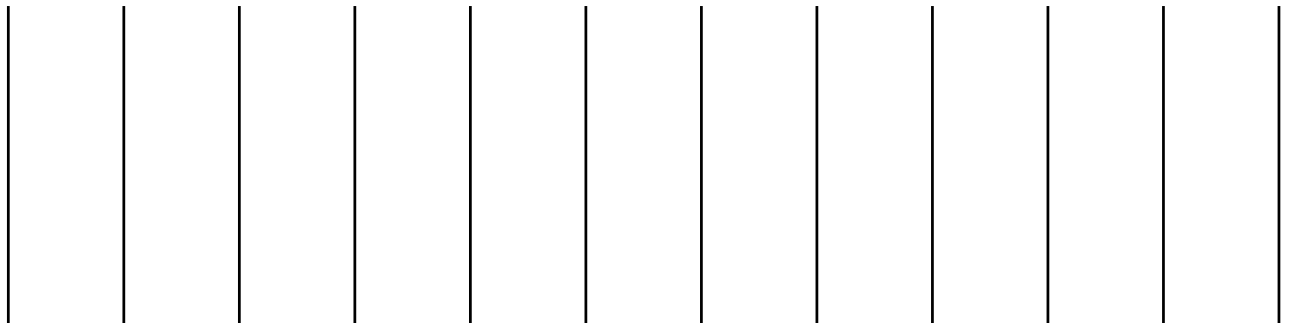

b) Write a repeated addition sentence to match the array you drew in 5(a) showing the addition of the number in each column.

Solution:

$$\_ + \_ + \_ + \_ = \_$$

2) a) Draw an array with 24 wheels where a column is made of 2 wheels.

b) Write a repeated addition sentence to match the array you drew in 6 (a) showing the addition of the number in each column.

Solution:

$$\_ + \_ + \_ + \_ + \_ + \_ + \_ + \_ + \_ + \_ + \_ + \_ = \_$$
